Information Systems](#)

Prof. Dr. Steffi Haag

[Assistant Professorship of
Information Systems](#)

Prof. Dr. Verena Tiefenbeck

[Assistant Professorship for
Digital Transformation](#)

Prof. Dr. Mathias Kraus

[Assistant Professorship in
Information Systems](#)

Prof. Dr. Patrick Zschech

[Assistant Professorship in
Information Systems](#)

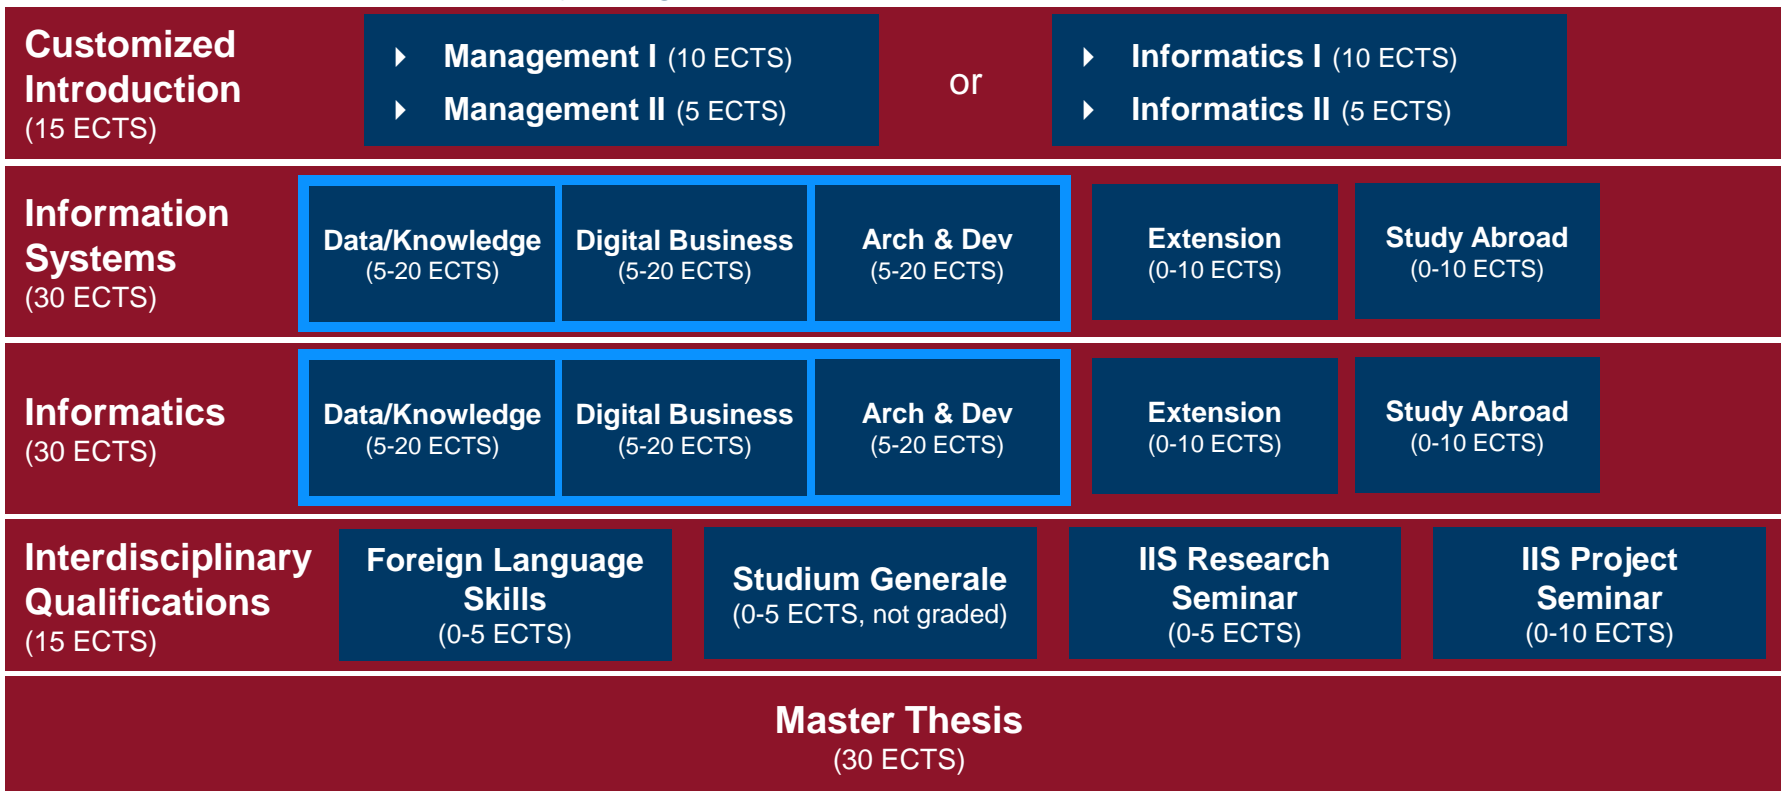

**Prof. Dr. Benedikt
Morschheuser**

[Assistant Professorship in
Information Systems](#)

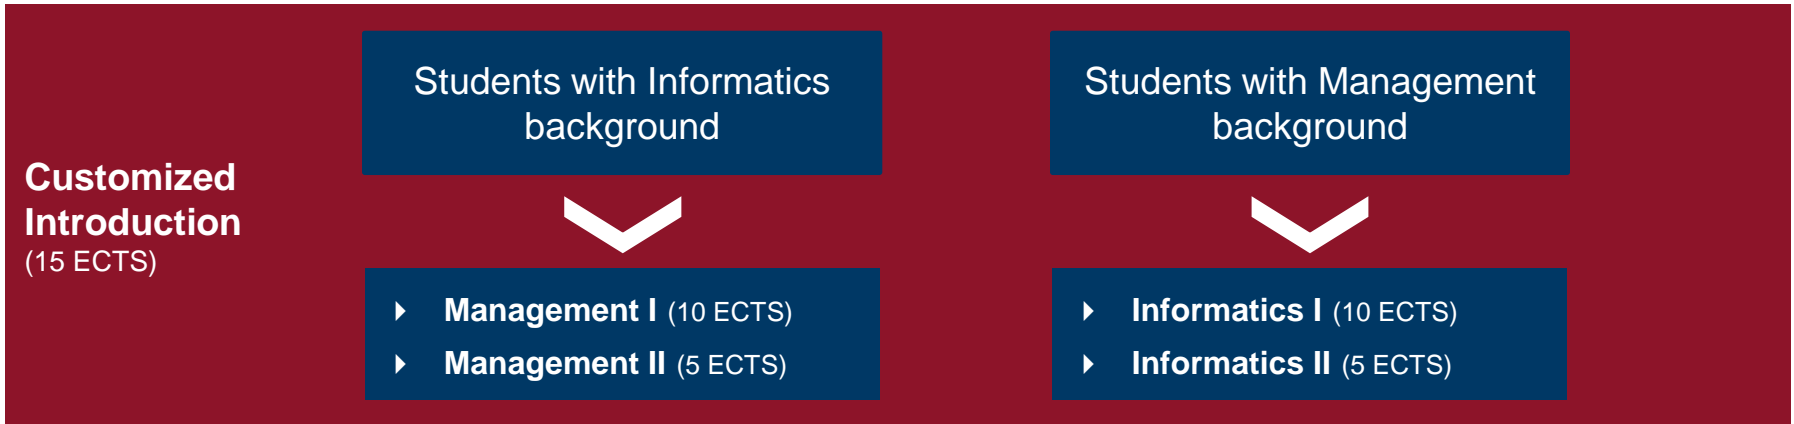

The IIS program will be restructured to offer students more flexibility

Planned structure of the study program

The first semester can be studied completely online and remotely

Start of your studies

**Specifically
suitable for
an online start:**

- Innovation and Leadership (5 ECTS)
- Enterprise Knowledge Management (5 ECTS)
- Process Analytics (5 ECTS)
- Designing Technology (5 ECTS)
- Electronic Human-Resource Management (5 ECTS)
- Development of Deep Vision Systems (5 ECTS)
- Introduction to Computer Science (10 ECTS, for **Informatics Introduction**)

In order to broaden their international understanding, students must gain international experience

Studying abroad

Four different options:

Possible exemption due to corona and planned exceptions for international students

Option A:

Exchange semester with a **partner university**

Option B:

Exchange semester to any university as a **free mover**

Option C:

Writing the **master thesis** with an **academic partner abroad**

Option D:

Writing the **master thesis** at a **company abroad**

Inform and apply in time!

Deadline for winter term 2022/23 & summer term 2023: expected **November 15, 2021**

Info Events

at the beginning of the semester will be announced

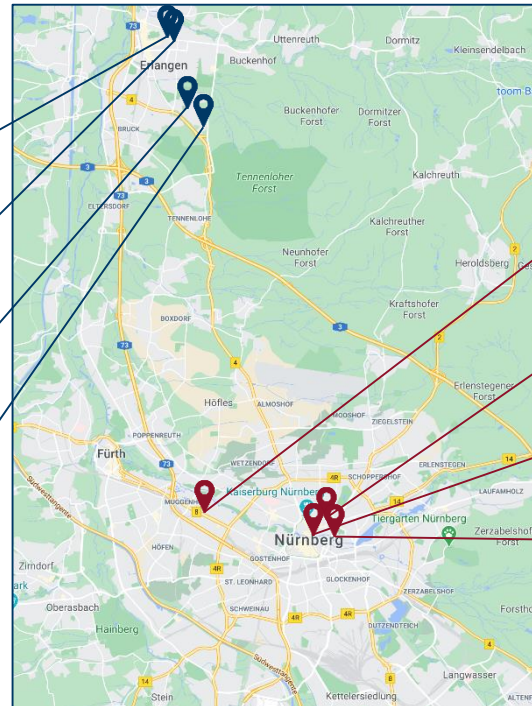

[More Information about studying abroad](#)

Agenda

1. Admission process
2. Master IIS study program
- 3. Additional information**

Two semester tickets enable FAU students to enjoy mobility in the Nuremberg region (VGN) free of charge or at very favorable conditions

Semester ticket

Basic

completely
costless

limited
validity

Semester ticket

Additional

Once
207 Euro

travel
24/7

But please note: A bike in Nuremberg can be a good investment! 😊

Various institutions support you during your start at FAU

Overview institutions

Apartments in Nuremberg and surroundings

- different portals like [wg-gesucht.de](https://www.wg-gesucht.de) can help
- [Studentenwerk Erlangen-Nürnberg](https://www.studentenwerk-erlangen-nuernberg.de) provides additional information and support

Residence registration in Nuremberg

- officially register with the City of Nuremberg after your successful apartment search
- you can find more information here: [Citizen´s Office Nuremberg](https://www.buero-stadt.nuernberg.de)

FSI Winf/IIS

- community of students from the IS-field
- for questions and problems around the university and your studies
- instagram: [fsi_winf_iis](https://www.instagram.com/fsi_winf_iis)
- www.fsi-winf.de

International Office at FAU

- especially interesting for international students
- you can find more information here: [International Office](https://www.internationaloffice.fau.de)

Various portals support the students in managing their studies
